----------	--

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Hand protection	Use impervious gloves & overalls
Eye protection	Use EN approved safety goggles.
Respiration	Avoid inhaling vapour. Use EN approved respiratory equipment and controlled extraction.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state	Low viscosity Liquid
Colour	Clear
Odour	Ketone
Flash Point °C	21
Solubility in Water (20°C)	nil
Freezing Point °C	N/A
Boiling Point °C	56
SG	0.81
Explosive Limit	3.3 - 19

10. STABILITY AND REACTIVITY

Hazardous Reactions	Stable under normal conditions
Hazardous Decomposition Products	Stable. Does not decompose under normal conditions

11. TOXICOLOGICAL INFORMATION

Skin	Irritating to skin. May be absorbed. Dermatitis may be a result of chronic skin contact.
Eye	Irritating to eyes
Ingestion	May cause vomiting, irritation of digestive tract
Inhalation	May cause drowsiness, nausea, and dizziness

12. ECOLOGICAL INFORMATION

Persistence and Degradability	Low toxicity to fish. Unlikely to Bio accumulate
-------------------------------	--

13. DISPOSAL CONSIDERATIONS

Land fill or incinerate in accordance with local regulations using authorised personnel.

14. TRANSPORT INFORMATION

UN No.	IMDG Class	Packing Group	Proper Shipping name	Marine Pollutant	ADR/RID
1263	3.1	11	Paint/Paint Related Materials	No	33

15. REGULATORY INFORMATION

Use of independent air fed masks and health surveillance are required

Harmful, Flammable,

Risk Phrases R20/22 harmful by Inhalation and if swallowed, R36/37 Irritating to eyes and respiratory system, R40 Possible risk of irreversible effects, R59 Dangerous to Ozone

Safety Phrases S7 Keep Container Closed. S16 Keep away from sources of ignition. No Smoking. S24 Avoid Contact with Skin, S25 Avoid Contact with eyes. S29 Do not empty into drains, S33 Take Precautions against static discharge

16. OTHER INFORMATION

The information contained in this document is based on the current state of our knowledge and data available at the time of completion. Is provided in accordance with the requirements of the chemicals (Hazard Information & Packaging) Regulations and is intended to describe the product in terms of it's health and safety requirements so that you may complete your own COSHH assessments. Is not intended as inferring any guarantee of technical performance or suitability for particular applications.
